WOOD STAIN – Please be advised that stain color may vary on pieces of the same kind of wood due to differences in the natural wood color tone, grain, texture and figure. In addition, lighting conditions will affect the perception of color. Therefore we cannot guarantee color uniformity. Seating Concepts, LLC. is not responsible for replacement on any wood items as a result of color variations on stained wood.

Solid Hardwood Components

Please select a stain for the following solid hardwood components (as applicable to your project):

- Decorator Panel
- Wood Armrest

Clear Coat on Maple
200 40 0906
